

## MEDICAL RELEASE FORM

This form is required for all West Hills Elite Pet Services, LLC participants receiving services. First and foremost, the safety and well-being of your pet is of utmost importance. Ensuring that your pet remains safe and well-cared for is our primary responsibility, and we take this responsibility very seriously. We do our best to make sure that Pet Parents have screened their pet for pre-existing health conditions, but some factors may be beyond our control. If a medical emergency arises while your pet is at our facility or participating in a service that we provide, it is imperative that we can immediately get your pet medical treatment at the closest available veterinary.

Our policy is to call ahead to a veterinary office that is closest in proximity to ensure they can handle the emergency. Your pet will be rushed to the nearest available facility for treatment, and you will be notified. We notify Pet Parents after we have secured a medical treatment facility for your pet to avoid any unnecessary delays. Our goal is to get your pet medical attention as quickly as possible and avoid any distractions that may interfere with that process. For this reason, it is a requirement that all Pet Parents sign the Medical Release Form.

By signing this form, you confirm that you understand that in the event of a medical emergency West Hills Elite Pet Services, LLC reserves the right to determine when it is appropriate to seek the immediate attention of a licensed veterinarian.

I, \_\_\_\_\_, authorize West Hills Elite Pet Services, LLC to seek medical attention at the closest available veterinary facility.
